

Important Announcement

POLA Skincare and Cosmetics

It is with great sadness that we announce the upcoming closure of the distribution of POLA in Australia and New Zealand and via our online website www.polacosmetics.com.au.

Whilst our business has been extremely successful, as of 2018 POLA Orbis are changing their global strategy to focus on high end prestige department store counters and their own POLA branded stores.

Due to this new global policy, POLA will no longer be available for distribution in Australia and New Zealand through salons, cosmetic shops, beauty professionals, consultants and online.

As it stands, POLA have no imminent plans to open any department store counters or POLA branded stores in Australia as their current expansion focus is in China.

As a result, we will be selling our remaining stock over the coming year after which we will no longer have POLA available.

We invite you to place your orders to secure all your favourite POLA products knowing they are authentic and supplied by us, their official distributor. All remaining stock will be allocated on a first in basis.

We would like to express our sincere gratitude and thank all of our loyal customers for their loyalty and support over many years.

For any further information please contact Head office.
